RESIDENTS INVITED TO ENJOY A VISIT TO COULBY NEWHAM FIRE STATION

Coulby Newham Fire Station will be opening their doors to the local community to enjoy a BBQ while meeting their local firefighters.

The station, which is situated on Bickley Way opposite Tesco's Supermarket, will be open on Saturday 18 July from 11am to 3pm. The aim of the day is to give residents the opportunity to have a look round their local fire station and see what activities are going on in the community that may be of benefit and ask any questions they may have.

As well as the BBQ there will be demonstrations, a raffle, a children's colouring competition and the opportunity to exchange old light bulbs for energy saving ones.

Darran Farndale, Coulby Newham Red Watch Manager said: "We are hoping people of all ages take advantage of this opportunity and come to the station and meet their local firefighters. We will have fire engines for children to come and have a look round and sit in there will be information on fire safety and the best way to keep your family safe.

"There will be loads of fun things for children to do so would be an ideal family afternoon out which is also educational.

"It gives the public the chance to see the wide variety of campaigns and initiatives the Brigade is involved in that could benefit them which include health and well-being and ask any questions that they may have. Directions to the station can be found at www.clevelandfire.gov.uk."
