Making your complaint

Anyone who considers that a Member of the Authority may have breached the Code of Conduct may make a complaint through the Monitoring Officer. The Audit and Governance Committee are required to promote and maintain high standards of conduct by elected and co-opted Members of the Authority. In addition a Hearings Sub-Committee is established to determine (where necessary) whether a Member has breached the Code, and where appropriate, what action should be taken in relation to that Member.

Consequently, a complaint is initially directed to the Monitoring Officer who will determine in conjunction with an Independent Person whether or not to refer the matter for investigation or whether other action (for example, training, conciliation, instituting changes to procedures) should be taken or that no action should be taken. The aim is to complete this initial review within an average of 20 working days.

Guidance on 'Arrangements for dealing with standards allegations under the Localism Act, 2011, can be found on the Authority's website www.clevelandfire.gov.uk.

3. Please provide us with the name of the Member (s) you believe have breached the Code of Conduct and the name of their authority:

Title	First Name	Last Name	Authority

4. Please explain in this section (or separate sheets) what the Member has done that you believe breaches the Code of Conduct. If you are complaining about more than one Member you should clearly explain what each individual person has done that you believe breaches the Code of Conduct.

It is important that you provide all the information you wish to have taken into account in the decision whether to take any action on your complaint. For example:

- You should be specific, wherever possible, about exactly what you are alleging the member said or did. For instance, instead of writing that the Member insulted you, you should state what it was they said.
- You should provide the dates of the alleged incidents wherever possible. If you cannot provide exact dates it is important to give a general timeframe.
- You should confirm whether there are any witnesses to the alleged conduct and provide their names and contact details if possible.
- You should provide any relevant background information.

Please provide us with the details of your complaint. Continue on a separate sheet if there is not enough space on this form.

Only complete this next section if you are requesting that your identity is kept confidential

5. In the interests of fairness and natural justice, members who are complained about have a right to know who has made the complaint. We also believe they have a right to be provided with a summary of the complaint. We are

unlikely to withhold your identity or the details of your complaint unless you have good reason to believe that:

- Disclosure may lead to intimidation either of yourself as a complainant or a witness
- Disclosure could prejudice an investigation
- Lead to evidence being compromised or destroyed.

Please note that requests for confidentiality or requests for suppression of complaint details will not automatically be granted. The Monitoring Officer in conjunction with the Independent Person will consider the request alongside the substance of your complaint. We will then contact you with the decision. If your request for confidentiality is not granted, we will usually allow you the option of withdrawing your complaint.

However, it is important to understand that in certain exceptional circumstances where the matter complained about is very serious, we can proceed with an investigation or other action and disclose your name even if you have expressly asked us not to.

Please provide us with details of why you believe we should withhold your name and/or the details of your complaint:
