Stay Safe and Warm

This annual campaign officially relaunched on 7 October. It will use a multi-channel approach to promote access to free heaters and other equipment for those living across Cleveland (subject to assessment). It runs until 31 March 2023.

Spring Campaign

This annual campaign will return mid-March (no date set yet) and will focus on Safer Neighbourhoods. As the lighter nights approach, we experience an increase in deliberate fires and violence to staff. The main focus of this campaign will be to reduce the number of deliberate fires and VTS incidents, particularly in hot spots.
