Step 3 – Record the learning	Step 4 – Reflect on the learning		
	Event review		
What did I do? Course/event/activity Date, location and provider Learning objectives Content summary/programme Any qualification/mark I achieved	How did it go? What happened? Have I learnt what I hoped to learn from my training?	How have my knowledge, skills and mindsets been improved? What have I actually gained from this event? What do I know at the end of this event that I didn't know at the beginning? How have I benefited from the experience?	How will I be able to bring what I have learned into my work? How will the organisation benefit? Any feedback received – what do other people say [scheme manager, peers, etc]?

Step 4 – Reflect on the learning Periodic review			
Review Have I achieved my development plan for this period? Have I completed the training I identified?	The positives What type of development has delivered the greatest benefit? What and why was this?	The negatives What type of development has delivered the least benefit? What went wrong? How can I ensure this does not happen next time?	Next steps What development needs do I still feel I have? What are my priorities and deadlines for future development? What should I look to include in my next development planning cycle?
