

MEMBER DEVELOPMENT PLAN

Member Development

The aim of Member Development is to build on the skills and knowledge of Members to ensure they are able to fulfil their roles and responsibilities as an Authority Member.

The Authority provides equality of opportunity and access to training and development for all Members. This means that Members will not receive less favourable treatment on the grounds of age, gender, sexuality, marital status, disability, race, religion, colour or ethnic origin. Neither will their opportunity for training and development be determined by their party political affiliation.

To avoid duplication of training with their own Local Authority, the training programme is structured into Essential training for new Members and Desirable and Optional training for existing Members. This training is specific to Cleveland Fire Authority.

Please contact the Democratic and Administration Manager if you would like to undertake a Member Development Plan or discuss any training/development requirements.

To avoid duplication with Members own constituent Councils, fire related development can be forwarded for action by the Member or constituent Development Officer.

Local Government Association

The Fire Authority is a member of the Local Government Association who also provide guidance and development resources to Elected Members. Members can access this information at www.local.gov.uk. A copy of the LGA Fire Authority Members Guide will be sent to all new members.

Guide to Members Roles

The Guide to Elected Member Roles was based on the Guide produced by the Improvement Partnership for North East Local Government regarding the opinions and experience of elected Members, an examination of existing practice, consideration of existing guidance and of expert advice.

The Guide has been adapted to reflect the Cleveland Fire Authority's roles and values and the range of increasingly complex roles Members undertake.
