For Information

1. CAMPAIGNS

Stay Safe and Warm

This annual campaign was launched on October 1 and has used a multi-channel approach to promote access to free heaters and other equipment for those living across Cleveland (subject to assessment). This includes advertisements in train stations, on bus panels and the radio. The campaign runs for a 6-month period and will end on 31 March 2024.

Spring Campaign

This annual campaign will return 18 March and will run until 15 April 2024 and will focus on Safer Neighbourhoods. As the lighter nights approach, we experience an increase in deliberate fires and violence to staff. The main focus of this campaign will be to reduce the number of deliberate fires, particularly when wheelie bins are targeted. This will use a multi-channel approach to promote key safety messages including radio, billboard, print, social and digital.
