

INTERNAL AUDIT PLAN 2024/2025**REPORT OF THE TREASURER****For Approval****1. PURPOSE OF REPORT**

- 1.1 To inform members of the direction of internal audit activity and seek approval of the annual operational Internal Audit Plan for 2024/25.

2. RECOMMENDATION

- 2.1 Members are recommended to adopt the 2024/25 Internal Audit Plan.

3. BACKGROUND

- 3.1 Under the Accounts and Audit Regulations (2015), the Fire Authority is responsible for ensuring an adequate and effective internal audit. I, as Treasurer to the Fire Authority, am charged with ensuring this responsibility is discharged.
- 3.2 To accord with Public Sector Internal Audit Standards (PSIAS) and ensure that the annual opinion on the Fire Authority's internal control environment is delivered in line with the requirements of the Accounts and Audit Regulations (2015), audit coverage has been prepared using a risk model based on that accredited by CIPFA incorporating a number of factors:
- System Factors
 - Managerial and Control environment
 - Value of transactions
 - Volume of transactions
 - Opinion critical
 - May incur legal penalties
- 3.3 In recognition that all of the Brigade's systems, arrangements and establishments could not be audited in one year, the Strategic Audit Plan is produced in a way that ensures all relevant risk areas are covered for opinion purposes. This allows the most relevant and comprehensive annual opinion on the Fire Authority's control environment to be given to the Audit and Governance Committee. Additionally the Strategic Audit Plan has been tailored to add value to the activities of the Fire Authority and reflects our knowledge gained about the Authority and the Brigade. I will ensure that the annual audit programs are adequate to test the key controls in the core systems.

4. INTEGRATION

- 4.1 Internal Audit coverage of the Fire Authority in respect of its financial systems is integrated with audit work carried out at Hartlepool Borough Council. This arrangement maximises the audit coverage for the Fire Authority from Internal Audit inputs.
- 4.2 Although Internal Audit and the Fire Authority's External Auditor, Mazars, carry out their work with different objectives some of the processes are similar and it is good professional practice that both parties should work closely together. Mazars have actively promoted effective co-operation and closer working with Hartlepool Borough Council Internal Audit Section.
- 4.3 The arrangements for ensuring effective joint working include close discussion between Internal/External Audit during the audit planning process, regular joint meetings and the exchange of information and reports.
