**3. SUMMARY OF ISSUES**

- 3.1 The Local Government Act 2003 requires the Fire Authority to 'have regard to' the CIPFA Prudential Code and to set prudential indicators for the next three years to ensure that the Authority's capital investment plans are affordable, prudent and sustainable.
- 3.2 The Act therefore requires the Authority to determine a Treasury Management Strategy for borrowing and to prepare an Annual Investment Strategy, which sets out the Authority's policies for managing investments and for giving priority to the security and liquidity of those investments. The Secretary of State issued Guidance on Local Government Investments which came into force on 1<sup>st</sup> April, 2004. This guidance recommends that all Authorities produce an Annual Investment Strategy that is approved by full Fire Authority, which is also included in this report.

- 3.3 The Authority is required to nominate a body to be responsible for ensuring effective scrutiny of the Treasury Management Strategy and policies, before making recommendations to the Fire Authority. This responsibility has been allocated to the Audit and Governance Committee.
- 3.4 The recommended Treasury Management Strategy was considered by the Audit and Governance Committee on the 24 February 2022 and this report is attached as Appendix A.
- 3.5 The Audit and Governance Committee carefully scrutinised the proposed Treasury Management strategy and approved that the recommended strategy be referred to full Fire Authority.
