**DATE: 27 AUGUST 2020**  
**TITLE: PROGRESS OF RISK REGISTER**  
**REPORT OF: SCHEME MANAGER**

**For Information**

## **1. PURPOSE**

- 1.1 That the Board consider the implications of Covid 19 on the Risk Register.
- 1.2 That the Board note and forward their views on the Risk Register as attached at Appendix 1.

## **2. RECOMMENDATIONS**

- 2.1 That the Board consider if the risk register is current and appropriate.

## **3. GOVERNANCE**

- 3.1 The Board have a responsibility to take an active role in monitoring the key risks on a regular basis and driving forward improvement.
- 3.2 The register was reviewed by the Scheme Manager and Chair in June 2020, to assess the effects of the Covid 19 Pandemic. Following discussions with XPS, it was concluded that there was no negative impact on the administration or service. The assessment therefore resulted in no increase in risk, based on the assurances given and systems already in place.
- 3.3 That XPS provide examples of other LPB's to assist in a future benchmarking exercise.
