Safer Homes

This campaign launches in August and focuses on reducing accidental dwelling fires by addressing the top three causes – cooking, electrical and radiated heat. It will use a multi-channel approach and forms part of the Summer seasonal targeting directive.

Safer Buildings

In September we hope to pilot a month long safer business campaign with a different focus each week to build on NFCC Business Safety Week (7-13 September).

Safer Roads

Project E.D.W.A.R.D (Every Day Without A Road Death) runs annually in September this year it is 13 – 17 September and the theme is speed. During the week there will be a nationwide road trip making 27 stops which include a visit to Middlesbrough Fire Station on Tuesday 14 September.

Stay Safe and Warm (Safer Homes)

This annual campaign will officially relaunch on 1 October. It will use a multi-channel approach to promote access to free heaters and other equipment for those living across Cleveland (subject to assessment).

National Campaigns

The Brigade will support a range of national campaigns and awareness days including:

- National Road Victims month (August)
