

APPOINTMENT OF INDEPENDENT PERSONS

REPORT OF THE LEGAL ADVISER AND MONITORING OFFICER

**For Approval**

1. PURPOSE OF REPORT

- 1.1 To consider the Executive (Appointments) Committee recommendation for the appointment of two Independent Persons to the Audit and Governance Committee, following their meeting on 26 April 2021.
- 1.2 That Members approve the appointment of the Independent Persons to the Audit and Governance Committee.

2. RECOMMENDATION

- 2.1 That Members consider the Executive Committee's recommendation and re-appoint Mr Paul McGrath and Mr Steve Harwood as the Independent Persons to the Cleveland Fire Authority from 1 July 2021 for a two year term of office.

3. BACKGROUND

- 3.1 Three application forms were received for the position of Independent Person but one candidate was unable to attend for interview. The Localism Act 2011, specifies that a person 'may not be appointed' unless they have responded to an advertisement and submitted a formal application.
- 3.2 Under the provisions of the Act, the appointment of Independent Persons must be approved by the majority of the Members of the Authority. A relevant authority must have provision for the appointment 'of at least one independent person'. It was generally considered prudent to have more than one Independent Person, particularly to avoid a conflict of interest that might occur in relation to a complaint under the Members Code of Conduct and any subsequent investigation that might be undertaken. In addition, through the Local Authorities (Standing Orders) (England) (Amendment) Regulations, 2015, a 'panel' comprising at least two Independent Persons is required as part of the process where an authority is to consider the outcome of 'disciplinary action' taken against any of its statutory officers.

- 3.3 For members' information, both Mr Harwood and Mr McGrath are current appointments to the roles of Independent Persons to the Fire Authority and gave an expression of interest that they would like to continue in these roles for a further two year term. Items of correspondence was sent to the applicant who was unavailable to attend for interview but no response has been received from that applicant to date.
- 3.4 The Committee on Standards in Public Life in their review of Local Government Ethical Standards, was published in 2019 with recommendations to adopt some of these recommendations as 'best practice' although the majority of recommendations were reliant on amendments to primary legislation (for the most part certain provisions of the Localism Act, 2011) and through secondary legislation. One of their recommendations was that Independent Persons should now be appointed for a 2 (not 4) year term of office, although this term of appointment could be renewed, but only for one further term.
- 3.5 The role of the Independent Person is an advisory one, with the role profile outlined below for Members information:
