3. CAMPAIGNS

Summer Campaign

- This campaign is set to launch in early July and will run for several weeks. The campaign will focus on outdoor safety, particularly reducing fires which are caused by BBQ, littering and targeting those who set deliberate fires.

Safer Homes

- We will be looking to run a campaign from August until October to reduce the number of ADFs. This will tie in the NFCC's national campaign to cover Smoke Alarm Purchasing Month and Home Fire Safety Month.

National Campaigns

The Brigade will support a range of national campaigns and awareness days including:

- NFCC Outdoor Fire Safety Month (June)
- Pride Month (June)
- Gypsy Roma Travel Month (June)
