1. CAMPAIGNS

Summer Campaign

This campaign is set to launch in late June/early July which will look at outdoor safety to tackle deliberate fires throughout the school holidays.

Safer Homes

We will be looking to run a campaign from August until October to reduce the number of Accidental Dwelling Fires. This will tie in with the National Fire Chiefs Council's national campaign to cover Smoke Alarm Purchasing Month and Home Fire Safety Month.

Stay Safe and Warm

This annual campaign launches in October. It uses a multi-channel approach to promote access to free heaters and other equipment for those living across Cleveland (subject to assessment). It runs until 31 March 2024. Further confirmation will follow in due course.

Fireworks (Safer Neighbourhoods)

This campaign will run from the start of October to mid-November (incorporating Halloween, Bonfire Night, and Diwali). Our focus is on offering safety advice and asking our communities to be responsible. It will take a multi-channel approach.
