

Audit Completion Certificate issued to the Members of Cleveland Fire Authority for the year ended 31 March 2024

In our auditor's report dated 28 February 2025, we explained that the audit could not be formally concluded until we had completed the work necessary to issue our assurance statement in respect of the Authority's Whole of Government Accounts.

This work has now been completed following confirmation from the National Audit Office that the group audit of the Whole of Government Account has been completed and that no further work is required to be completed by us.
