WHAT NEXT?

- We are continuing to focus on reducing fires in the home by delivering our Home Safety Strategy and providing fire safety advice to people in their own homes;
- Stations will target hotspot areas based on historical trends in order to reduce the number of fires;
- We will continue to tackle Secondary Fires and Anti Social Behaviour in our neighbourhoods by working alongside local secondary schools to educate youths.

Exceptionally Good Performance

2018/19 compared to 2017/18

- 21% (40) decrease in Total Primary Fires;
- There were 0 fatalities from Accidental Dwelling Fires; a reduction from 1 in 2017/18;
- 38% (13) decrease in Accidental Dwelling Fires;
- 24% (27) decrease in Deliberate Primary Fires.

59.7%

of properties have received a Home Fire Safety Visit in Redcar & Cleveland

Areas for Improvement

2018/19 compared to 2017/18

- 22% (173) increase in Deliberate Secondary Fires;
- Malicious False Alarms increased by 50% rising from 30 to 45;
- 16% (146) increase in Total Deliberate Fires;
- 11% (121) increase in Total Fire Calls.

What have we achieved?

- Prior to the Easter Holidays the Brigade worked on engagement activities with local schools, action groups and the community to raise awareness of the danger of setting fires on the hills and woodlands;
- Wheelie bin campaigns continue to be rolled out across the district issuing wheelie bin stickers and locks to help prevent further wheelie bin fires which is helping to reduce such fires;
- Crews have been working closely with the local community offering Home Fire Safety Visits and advice on Safe and Well Visits.

Home Fire Safety Visits

- We have completed 4,341 Home Fire Safety Visits fitting 4,623 Smoke Alarms across the District;
- We have completed 561 Home Safety Visits to our most vulnerable age range of 65+ (13% of HFSVs completed during period).

Safe and Well Visits

- 923 Safe and Well Visits between April 2018 and March 2019;
- A successful uptake of Safe & Well Visits with 2,865 undertaken since we commenced delivery of this initiative (October 2016).

Referrals

- 72x fall referrals;
- 1x alcohol referral;
- 26x loneliness referrals;
- 3x smoking referrals;
- 1x dementia referral.

Provision of equipment

- 20x Push Light;
- 104x Reachers

Indicator	2017/18	2018/19	Difference % +/-
