### SAFER HOMES

- 60% coverage across the district area
- 2,087 smoke alarms fitted
- 7,816 visits completed between April and March 2025
- 984 referrals for assistance from other agencies

### COMMUNITY ENGAGEMENT

- Site visits were carried out at local hotspots known for deliberate fire setting and fly-tipping, with the aim of highlighting ongoing issues related to arson and anti-social behaviour. These visits enhanced the Brigade’s visibility and provided opportunities to engage with the community, helping to deter further incidents.
- Howard Place in Tilery was identified as a key hotspot for deliberate fires. In response, targeted resources were deployed to the area. The Brigade increased its presence, distributed fire safety leaflets to local properties, and engaged directly with residents to raise awareness and help prevent future incidents.

## CURRENT AND EMERGING ISSUES

### Deliberate Primary Fires

Between April 2024 and March 2025, the number of deliberate primary fires in the district increased by 21%, rising from 147 incidents in 2023/24 to 178. The area most affected during this period was Norton South, which recorded 48 incidents.

### Total Deliberate Fires

Deliberate fires continue to pose a significant challenge in the district. There was an 18% increase in total deliberate fire incidents, rising from 760 in 2023/24 to 895 in 2024/25. The Brigade remains committed to addressing this issue through targeted prevention efforts and community engagement.
