15 November 2021

Dear Members

Audit Completion Report – Year ended 31 March 2021

We are pleased to present our Audit Completion Report for the year ended 31 March 2021.

The purpose of this document is to summarise our audit conclusions. The scope of our work, including identified significant audit risks and other areas of management judgement, was outlined in our Audit Strategy Memorandum which we presented on 26 February 2021. We have reviewed our Audit Strategy Memorandum and concluded that the original significant audit risks and other areas of management judgement remain appropriate.

We would like to express our thanks for the assistance of your team during our audit.

If you would like to discuss any matters in more detail then please do not hesitate to contact me on 07896 684771.

Yours faithfully

A handwritten signature in black ink that reads "Gavin Barker".

Gavin Barker

We are registered to carry on audit work in the UK by the Institute of Chartered Accountants in England and Wales. Details about our audit registration can be viewed at www.auditregister.org.uk under reference number C001139861. VAT number: 839 8356 73

01

Section 01:

Executive summary

1. Executive summary

Principal conclusions and significant findings

The detailed scope of our work as your appointed auditor for 2020/21 is set out in the National Audit Office's (NAO) Code of Audit Practice. Our responsibilities and powers are derived from the Local Audit and Accountability Act 2014 and, as outlined in our Audit Strategy Memorandum, our audit has been conducted in accordance with International Standards on Auditing (UK) and means we focus on audit risks that we have assessed as resulting in a higher risk of material misstatement.

In section 4 of this report we have set out our conclusions and significant findings from our audit. This section includes our conclusions on the audit risks and areas of management judgement in our Audit Strategy Memorandum, which include:

- Management override of controls;
- Property, plant and equipment valuation; and
- Defined benefit pension liability valuation.

Section 5 sets out internal control recommendations and section 6 sets out audit misstatements; there are no unadjusted misstatements. Section 7 outlines our work on the Authority's arrangements to achieve economy, efficiency and effectiveness in its use of resources.

Status and audit opinion

We have substantially completed our audit in respect of the financial statements for the year ended 31 March 2021.

At the time of preparing this report, significant matters remaining outstanding as outlined in section 2. We will provide an update to you in relation to the significant matters outstanding through issuance of a follow up letter.

Subject to the satisfactory conclusion of the remaining audit work, we have the following conclusions.

Audit opinion

We anticipate issuing an unqualified opinion, without modification, on the financial statements. Our proposed audit opinion is included in the draft auditor's report in Appendix B.

Value for Money

We anticipate having no significant weaknesses in arrangements to report in relation to the arrangements that the Authority has in place to secure economy, efficiency and effectiveness in its use of resources. Further detail on our Value for Money work is provided in section 7 of this report.

Whole of Government Accounts (WGA)

We have not yet received group instructions from the National Audit Office in respect of our work on the Authority's WGA submission. We are unable to commence our work in this area until such instructions have been received.

Wider powers

The 2014 Act requires us to give an elector, or any representative of the elector, the opportunity to question us about the accounting records of the Authority and to consider any objection made to the accounts.

02

Section 02:

Status of the audit

2. Status of the audit

Our work is substantially complete and there are currently no matters of which we are aware that would require modification of our audit opinion, subject to the outstanding matters detailed below.

Audit area	Status	Description of the outstanding matters
Property, Plant and Equipment		Our work in response to the valuation of property, plant and equipment (significant risk) is still in progress at the time of drafting this report.
Pensions		We are awaiting assurance from the pension fund auditor. The pension fund audit, which is undertaken by another audit firm, is still in progress, which means that we are unable to conclude our work to address the significant risk in respect of the defined benefit pension liability valuation at this stage. We are expecting to receive the necessary assurance in time to give our opinion by 30 November 2021.
Movement in Reserves Statement (MIRS) and supporting notes		Any amendments arising from the outstanding work above are likely to impact on the MIRS and supporting notes. Accordingly, we will perform our testing of the MIRS and related notes once we have completed the above work.
WGA		We are awaiting group instructions from the National Audit Office. This may impact on the timing of issuing our audit certificate to formally conclude and close the audit.
Closing Procedures		Review and closure processes, including final consideration of post balance sheet events.

 Likely to result in material adjustment or significant change to disclosures within the financial statements.

 Potential to result in material adjustment or significant change to disclosures within the financial statements.

 Not considered likely to result in material adjustment or change to disclosures within the financial statements.

03

Section 03: **Audit approach**

3. Audit approach

Changes to our audit approach

We provided details of our intended audit approach in our Audit Strategy Memorandum in February 2021. We have not made any changes to our audit approach since we presented our Audit Strategy Memorandum.

Materiality

Our provisional materiality at the planning stage of the audit was set at £903K using a benchmark of 2% of gross operating expenditure. Our final assessment of materiality, based on the final financial statements, is £867K, using the same benchmark. We set our trivial threshold (the level under which individual errors are not communicated to the Authority) at £26K based on 3% of overall materiality. We set group materiality at £901K and the trivial threshold for the group at £27K.

Use of experts

Management makes use of experts in specific areas when preparing the Authority's financial statements. We have used available third-party information to challenge the key valuation assumptions. Furthermore, no changes have been made to the planned approach as outlined in the Audit Strategy Memorandum.

Items of account	Management's expert	Our expert
Property valuations	Valuer from Hartlepool Borough Council	
Defined benefit pension liability	Actuary – AON Hewitt	NAO's Consulting Actuary (PWC)
Financial instruments	Link Asset Services	

The table below summarises the service organisations used by the Authority and our planned audit approach.

Items of account	Service organisation	Audit approach
Preparing the financial statements and maintaining all the material systems underpinning these statements: <ul style="list-style-type: none">• general ledger;• payroll;• accounts payable;• accounts receivable;• fixed assets; and• treasury management.	Hartlepool Borough Council	We are also the auditor of the Council and have direct access to accounting records and staff. Accordingly, we can substantively test the financial statements in the same way as if they were prepared by the Authority. We reviewed and documented the controls in place for production of the financial statements and also within the material financial information systems.

04

Section 04: **Significant findings**

4. Significant findings

In this section we outline the significant findings from our audit. These findings include:

- our audit conclusions regarding other significant risks and key areas of management judgement outlined in the Audit Strategy Memorandum;
- our comments in respect of the accounting policies and disclosures that you have adopted in the financial statements. On page 13 we have concluded whether the financial statements have been prepared in accordance with the financial reporting framework and commented on any significant accounting policy changes that have been made during the year; and
- any significant difficulties we experienced during the audit.

Significant risks

Management	Description of the risk
override of controls	In all entities, management at various levels within an organisation are in a unique position to perpetrate fraud because of their ability to manipulate accounting records and prepare fraudulent financial statements by overriding controls that otherwise appear to be operating effectively. Due to the unpredictable way in which such override could occur, we consider there to be a risk of material misstatement due to fraud and thus a significant risk on all audits.
How we addressed this risk	
We addressed this risk through performing audit work over:	
<ul style="list-style-type: none">• Accounting estimates impacting amounts included in the financial statements;• Consideration of identified significant transactions outside the normal course of business; and• Journals recorded in the general ledger and other adjustments made in preparation of the financial statements.	
Audit conclusion	
Our audit work has provided the assurance we sought and has not identified any material issues to bring to your attention. There is no indication of management override of controls.	

4. Significant findings

Valuation of property, plant and equipment	Description of the risk
	<p>The financial statements contain material entries on the Balance Sheet as well as material disclosure notes in relation to the Authority's holding of PPE. Although the Authority uses a valuation expert to provide information on valuations, there remains a high degree of estimation uncertainty associated with the revaluation of PPE due to the significant judgements and number of variables involved in providing revaluations. We have therefore identified the valuation of PPE to be an area of significant risk.</p>
	<p>How we addressed this risk</p> <p>We addressed this risk by considering the Authority's arrangements for ensuring that PPE values are reasonable and reviewed third party data to assess the reasonableness of the valuations provided by the external valuer. We will also assessed the competence, skills and experience of the valuer.</p> <p>We discussed methods used with the valuer and examined supporting information. We used indices provided by our own expert to confirm the assets not revalued are unlikely to have materially changed in value. We tested revaluations in year to valuation reports and supporting calculation sheets and re-performed the calculations to ensure that they were correct and source data was accurate. We also considered the impact of COVID-19 on the valuations to gain additional assurance on their reasonableness.</p>
	<p>Audit conclusion</p> <p>Subject to the completion of outstanding work, our work has provided the assurance sought. At this stage we have not identified any errors in respect of the valuation of property, plant and equipment.</p>

Valuation of Net Defined Benefit Pension Liability	Description of the risk
	<p>The 2020/21 financial statements contain material pension entries in respect of the retirement benefits. The calculation of these pension figures, both assets and liabilities, can be subject to significant volatility and includes estimates based upon a complex interaction of actuarial assumptions. This results in an increased risk of material misstatement.</p>
	<p>How we addressed this risk</p> <p>We discussed with key contacts any significant changes to the pension estimates. In addition to our standard programme of work in this area, we evaluated the management controls you have in place to assess the reasonableness of the figures provided by the Actuary and considered the reasonableness of the Actuary's output, referring to an expert's report on all actuaries nationally.</p> <p>We reviewed the appropriateness of the key assumptions included within the valuations, compared them to expected ranges and reviewed the methodology applied in the valuation. We considered the adequacy of disclosures in the financial statements.</p> <p>We have also sought assurance from the audit of Teesside Pension Fund, which is expected to be received in time to give our opinion by 30 November 2021 at the latest.</p>
	<p>Audit conclusion</p> <p>Subject to the completion of outstanding work, our work has provided the assurance sought. At this stage we have not identified any errors in respect of the valuation of pensions.</p>

4. Significant findings

Qualitative aspects of the Authority’s accounting practices

We have reviewed the Authority’s accounting policies and disclosures and concluded they comply with the 2020/21 Code of Practice on Local Authority Accounting, appropriately tailored to the Authority’s circumstances.

Draft accounts were approved by the Authority on 30 July 2021 and provided in time for the start of the audit on 22 September 2021. The accounts and the supporting working papers were of a good quality.

Significant difficulties during the audit

During the course of the audit we did not encounter any significant difficulties and we have had the full co-operation of management.

4. Significant findings

Wider responsibilities

Our powers and responsibilities under the 2014 Act are broad and include the ability to:

- issue a report in the public interest;
- make statutory recommendations that must be considered and responded to publicly;
- apply to the court for a declaration that an item of account is contrary to law; and
- issue an advisory notice under schedule 8 of the 2014 Act.

We have not exercised any of these powers as part of our 2020/21 audit.

The 2014 Act also gives rights to local electors and other parties, such as the right to ask questions of the auditor and the right to make an objection to an item of account. No questions or objections have been raised.

05

Section 05:

Internal control recommendations

5. Internal control recommendations

The purpose of our audit was to express an opinion on the financial statements. As part of our audit we have considered the internal controls in place relevant to the preparation of the financial statements in order to design audit procedures to allow us to express an opinion on the financial statements but not for the purpose of expressing an opinion on the effectiveness of internal control or to identify any significant deficiencies in their design or operation.

The matters reported are limited to those deficiencies and other control recommendations that we have identified during our normal audit procedures and that we consider to be of sufficient importance to merit being reported. If we had performed more extensive procedures on internal control we might have identified more deficiencies to be reported or concluded that some of the reported deficiencies need not in fact have been reported. Our comments should not be regarded as a comprehensive record of all deficiencies that may exist or improvements that could be made.

Our work this year has not identified any issues to bring to your attention.

Follow up of previous internal control points

We did not raise any internal control points in the prior year.

06

Section 06:

Summary of misstatements

6. Summary of misstatements

We are required to report to the Authority any misstatements identified during the course of the audit, above the trivial threshold for adjustment of £26,000

At the time of drafting this report there were no misstatements above this threshold.

6. Summary of misstatements

Disclosure amendments

During our review of the financial statements we have identified amendments that were required to disclosures. The Authority has made these amendments:

- Narrative report – The heading at the bottom of the first table ‘transfer to budget support fund’ needed to be changed as the first 2 columns are net expenditure and only the underspend in the third column fits that description;
- Narrative report - The statement that the CIC has increased turnover annually needed updating to reflect the impact of the pandemic on the CIC’s turnover in 2020/21;
- CIES and EFA – The 2019/20 column has been restated and a footnote is required to explain the reason for the restatement;
- Note 11 (senior officer remuneration) did not state the name of the Chief Fire Officer, as required by the CIPFA Code;
- Note 25 (related party transactions) did not cross-reference to the group accounts to show the intra-group transactions; and
- Note 26 (external audit costs) audit fees should be for 2019/20 £29K core and £3K group and for 20/21 £27K core and £3K group accounts.

07

Section 07: **Value for Money**

7. Value for Money

Approach to Value for Money

We are required to consider whether the Authority has made proper arrangements for securing economy, efficiency and effectiveness in its use of resources. The NAO issues guidance to auditors that underpins the work we are required to carry out and sets out the reporting criteria that we are required to consider. The reporting criteria are:

- **Financial sustainability** - How the Authority plans and manages its resources to ensure it can continue to deliver its services
- **Governance** - How the Authority ensures that it makes informed decisions and properly manages its risks
- **Improving economy, efficiency and effectiveness** - How the Authority uses information about its costs and performance to improve the way it manages and delivers its services.

At the planning stage of the audit, we undertake work to understand the arrangements that the Authority has in place under each of the reporting criteria and we identify risks of significant weaknesses in those arrangements. Although we describe this work as planning work, we keep our understanding of arrangements under review and update our risk assessment throughout the audit to reflect emerging issues that may suggest significant weaknesses in arrangements exist.

Where our risk-based procedures identify actual significant weaknesses in arrangements we are required to report these and make recommendations for improvement. Where such significant weaknesses are identified, we report these in the audit report.

The primary output of our work on the Authority's arrangements is the commentary on those arrangements that forms part of the Auditor's Annual Report. We intend to issue the Auditor's Annual Report in December 2021.

Status of our work

We are yet to complete our work in respect of the Authority's arrangements for the year ended 31 March 2021. At the time of preparing this report, we have not identified any significant weaknesses in arrangements that require us to make a recommendation, however we continue to undertake work on the Authority's arrangements.

Our draft audit report at Appendix B outlines that we have not yet completed our work in relation to the Authority's arrangements. As noted above, our commentary on the Authority's arrangements will be provided in the Auditor's Annual Report in December 2021.

Date: November 2021

Cleveland Fire Authority (and Group) - audit for year ended 31 March 2021

This representation letter is provided in connection with your audit of the financial statements of Cleveland Fire Authority (the Authority and Group) for the year ended 31 March 2021 for the purpose of expressing an opinion as to whether the statement of accounts give a true and fair view in accordance with the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2020/21 (the Code).

I confirm that the following representations are made on the basis of enquiries of management and staff with relevant knowledge and experience (and, where appropriate, inspection of supporting documentation) sufficient to satisfy myself that I can properly make each of the following representations to you.

My responsibility for the statement of accounts and accounting information

I believe that I have fulfilled my responsibilities for the true and fair presentation and preparation of the statement of accounts in accordance with the Code.

My responsibility to provide and disclose relevant information

I have provided you with:

- access to all information of which I am aware that is relevant to the preparation of the statement of accounts such as records, documentation and other material;

Appendix A: Draft management representation letter

- additional information that you have requested from me for the purpose of the audit; and
- unrestricted access to individuals within the Authority and Group you determined it was necessary to contact in order to obtain audit evidence.

I confirm as Treasurer that I have taken all the necessary steps to make me aware of any relevant audit information and to establish that you, as auditors, are aware of this information. As far as I am aware there is no relevant audit information of which you, as auditors, are unaware.

Accounting records

I confirm that all transactions have been recorded in the accounting records and are reflected in the financial statements. All other records and related information, including minutes of all Authority and Committee meetings, have been made available to you.

Accounting policies

I confirm that I have reviewed the accounting policies applied during the year in accordance with the Code and International Accounting Standard 8 and consider them appropriate for the year.

Accounting estimates, including those measured at fair value

I confirm that any significant assumptions used in making accounting estimates, including those measured at fair value, are reasonable.

Contingencies

There are no material contingent losses including pending or potential litigation that should be accrued where:

- information presently available indicates that it is probable that an asset has been impaired or a liability had been incurred at the balance sheet date; and
- the amount of the loss can be reasonably estimated..

There are no material contingent losses that should be disclosed where, although either or both the conditions specified above are not met, there is a reasonable possibility that a loss, or a loss greater than that accrued, may have been incurred at the balance sheet date. There are no contingent gains which should be disclosed.

All material matters, including unasserted claims, that may result in litigation against the Authority and Group have been brought to your attention. All known actual or possible litigation and claims whose effects should be considered when preparing the financial statements have been disclosed to you and accounted for and disclosed in accordance with Code.

Laws and regulations

I confirm that I have disclosed to you all those events of which I am aware which involve known or suspected non-compliance with laws and regulations, together with the actual or contingent consequences which may arise therefrom.

The Authority has complied with all aspects of contractual agreements that would have a material effect on the accounts in the event of non-compliance.

Appendix A: Draft management representation letter

Fraud and error

I acknowledge my responsibility as Treasurer for the design, implementation and maintenance of internal control to prevent and detect fraud and error.

I have disclosed to you:

- all the results of my assessment of the risk that the statement of accounts may be materially misstated as a result of fraud;
- all knowledge of fraud or suspected fraud affecting the Authority and Group involving:
 - - management and those charged with governance;
 - - employees who have significant roles in internal control; and
 - - others where fraud could have a material effect on the financial statements.

I have disclosed to you all information in relation to any allegations of fraud, or suspected fraud, affecting the Authority's and Group's financial statements communicated by employees, former employees, analysts, regulators or others.

Related party transactions

I confirm that all related party relationships, transactions and balances (including sales, purchases, loans, transfers, leasing arrangements and guarantees) have been appropriately accounted for and disclosed in accordance with the requirements of the Code. I have disclosed to you the identity of the Authority and Group's related parties and all related party relationships and transactions of which I am aware.

Impairment review

To the best of my knowledge, there is nothing to indicate that there is a permanent reduction in the recoverable amount of the property, plant and equipment below their carrying value at the balance sheet date. An impairment review is therefore not considered necessary.

Charges on assets

All the Authority's and Group's assets are free from any charges exercisable by third parties except as disclosed within the financial statements.

Future commitments

We have no plans, intentions or commitments that may materially affect the carrying value or classification of assets and liabilities or give rise to additional liabilities.

Subsequent events

I confirm all events subsequent to the date of the financial statements and for which the Code require adjustment or disclosure have been adjusted or disclosed.

Should further material events occur after the date of this letter which may necessitate revision of the figures included in the financial statements or inclusion of a note thereto, I will advise you accordingly.

Appendix A: Draft management representation letter

Going concern

I confirm that I have carried out an assessment of the potential impact of the COVID-19 Virus pandemic on the Authority, including the impact of mitigation measures and uncertainties and I am satisfied that the going concern assumption remains appropriate and that no material uncertainty has been identified.

To the best of my knowledge there is nothing to indicate that the Authority and Group will cease to continue as a going concern in the foreseeable future. The period to which I have paid particular attention in assessing the appropriateness of the going concern basis is not less than twelve months from the date of approval of the accounts.

Unadjusted misstatements

I confirm that there are no unadjusted misstatements above the reporting threshold of £26,000.

Yours sincerely

Treasurer

Date.....

Appendix B: Draft audit report

Independent auditor’s report to the members of Cleveland Fire Authority

Report on the audit of the financial statements

Opinion on the financial statements

We have audited the financial statements of Cleveland Fire Authority (“the Authority”) and its subsidiary (“the Group”) for the year ended 31 March 2021, which comprise the Movement in Reserves Statement, Comprehensive Income and Expenditure Statement, the Balance Sheet, the Statement of Cash Flows, the Firefighter Pension Fund Account Statements, the Group Movement in Reserves Statement, the Group Comprehensive Income and Expenditure Statement, the Group Balance Sheet, the Group Cash Flow Statement and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2020/21.

In our opinion, the financial statements:

- give a true and fair view of the financial position of the Authority and Group as at 31st March 2021 and of the Authority’s and Group’s expenditure and income for the year then ended; and
- have been properly prepared in accordance with the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2020/21.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor’s responsibilities section of our report. We are independent of the Authority in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC’s Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the Treasurer’s use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the Authority’s ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the Treasurer with respect to going concern are described in the relevant sections of this report.

Other information

The Treasurer is responsible for the other information. The other information comprises the other information included in the Statement of Accounts, other than the financial statements and our auditor’s report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

Appendix B: Draft audit report (continued)

We have nothing to report in this regard.

Responsibilities of the Treasurer for the financial statements

As explained more fully in the Statement of the Treasurer's Responsibilities, the Treasurer is responsible for the preparation of the Statement of Accounts, which includes the financial statements, in accordance with proper practices as set out in the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2020/21, and for being satisfied that they give a true and fair view. The Treasurer is also responsible for such internal control as the Treasurer determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

The Treasurer is required to comply with the CIPFA/LASAAC Code of Practice on Local Authority Accounting in the United Kingdom 2020/21 and prepare the financial statements on a going concern basis on the assumption that the functions of the Authority will continue in operational existence for the foreseeable future. The Treasurer is responsible for assessing each year whether or not it is appropriate for the Authority to prepare its accounts on the going concern basis and disclosing, as applicable, matters related to going concern.

Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. Based on our understanding of the Authority we identified that the principal risks of non-compliance with laws and regulations related to the Local Government Act 2003 (and associated regulations made under section 21), the Local Government Finance Acts of 1988, 1992 and 2012, and the Local Audit and Accountability Act 2014 and we considered the extent to which non-compliance might have a material effect on the financial statements.

We evaluated the Treasurer's incentives and opportunities for fraudulent manipulation of the financial statements (including the risk of override of controls) and determined that the principal risks were related to posting manual journal entries to manipulate financial performance, management bias through judgements and assumptions in significant accounting estimates and significant one-off or unusual transactions.

Our audit procedures were designed to respond to those identified risks, including non-compliance with laws and regulations (irregularities) and fraud that are material to the financial statements. Our audit procedures included but were not limited to :

- discussing with management and the Audit and Governance Committee the policies and procedures regarding compliance with laws and regulations;
- communicating identified laws and regulations throughout our engagement team and remaining alert to any indications of non-compliance throughout our audit; and
- considering the risk of acts by the Authority which were contrary to applicable laws and regulations, including fraud.

Our audit procedures in relation to fraud included but were not limited to :

- making enquiries of management and the Audit and Governance Committee on whether they had knowledge of any actual, suspected or alleged fraud;
- gaining an understanding of the internal controls established to mitigate risks related to fraud;

Appendix B: Draft audit report (continued)

- discussing amongst the engagement team the risks of fraud; and
- addressing the risks of fraud through management override of controls by performing journal entry testing.

There are inherent limitations in the audit procedures described above and the primary responsibility for the prevention and detection of irregularities including fraud rests with management and the Audit and Governance Committee. As with any audit, there remained a risk of non-detection of irregularities, as these may involve collusion, forgery, intentional omissions, misrepresentations or the override of internal controls.

We are also required to conclude on whether the Treasurer’s use of the going concern basis of accounting in the preparation of the financial statements is appropriate. We performed our work in accordance with Practice Note 10: Audit of financial statement and regularity of public sector bodies in the United Kingdom, and Supplementary Guidance Note 01, issued by the National Audit Office in April 2021.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Authority’s website at www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor’s report.

Report on the Authority’s arrangements for securing economy, efficiency and effectiveness in its use of resources

Matter on which we are required to report by exception

We are required to report to you if, in our opinion, we are not satisfied that the Authority has made proper arrangements for securing economy, efficiency and effectiveness in its use of resources for the year ended 31 March 2021.

We have not completed our work on the Authority’s arrangements. On the basis of our work to date, having regard to the guidance issued by the Comptroller and Auditor General in April 2021, we have not identified any significant weaknesses in arrangements for the year ended 31 March 2021.

We will report the outcome of our work on the Authority’s arrangements in our commentary on those arrangements within the Auditor’s Annual Report. Our audit completion certificate will set out any matters which we are required to report by exception.

Responsibilities of the Authority

The Authority is responsible for putting in place proper arrangements to secure economy, efficiency and effectiveness in its use of resources, to ensure proper stewardship and governance, and to review regularly the adequacy and effectiveness of these arrangements.

Auditor’s responsibilities for the review of arrangements for securing economy, efficiency and effectiveness in the use of resources

We are required under section 20(1)(c) of the Local Audit and Accountability Act 2014 to satisfy ourselves that the Authority has made proper arrangements for securing economy, efficiency and effectiveness in its use of resources. We are not required to consider, nor have we considered, whether all aspects of the Authority’s arrangements for securing economy, efficiency and effectiveness in its use of resources are operating effectively.

We have undertaken our work in accordance with the Code of Audit Practice, having regard to the guidance issued by the Comptroller and Auditor General in April 2021.

Appendix B: Draft audit report (continued)

Matters on which we are required to report by exception under the Code of Audit Practice

We are required by the Code of Audit Practice to report to you if:

- we issue a report in the public interest under section 24 of the Local Audit and Accountability Act 2014;
- we make a recommendation under section 24 of the Local Audit and Accountability Act 2014; or
- we exercise any other special powers of the auditor under sections 28, 29 or 31 of the Local Audit and Accountability Act 2014.

We have nothing to report in these respects.

Use of the audit report

This report is made solely to the members of Cleveland Fire Authority, as a body, in accordance with part 5 of the Local Audit and Accountability Act 2014 and as set out in paragraph 44 of the Statement of Responsibilities of Auditors and Audited Bodies published by Public Sector Audit Appointments Limited. Our audit work has been undertaken so that we might state to the members of the Authority those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the members of the Authority, as a body, for our audit work, for this report, or for the opinions we have formed.

Delay in certification of completion of audit

We cannot formally conclude the audit and issue an audit certificate until we have completed:

- the work necessary to issue our assurance statement in respect of the Authority's Whole of Government Accounts consolidation pack; and
- the work necessary to satisfy ourselves that the Authority has made proper arrangements for securing economy, efficiency and effectiveness in its use of resources.

Appendix C: Independence

As part of our ongoing risk assessment we monitor our relationships with you to identify any new actual or perceived threats to our independence within the regulatory or professional requirements governing us as your auditors.

We can confirm that no new threats to independence have been identified since issuing the Audit Strategy Memorandum and therefore we remain independent.

Appendix D: Other communications

Other communication	Response
Compliance with Laws and Regulations	<p>We have not identified any significant matters involving actual or suspected non-compliance with laws and regulations.</p> <p>We will obtain written representations from management that all known instances of non-compliance or suspected non-compliance with laws and regulations whose effects should be considered when preparing financial statements have been disclosed.</p>
External confirmations	<p>We did not experience any issues with respect to obtaining external confirmations.</p>
Related parties	<p>We did not identify any significant matters relating to the audit of related parties.</p> <p>We will obtain written representations from management confirming that:</p> <ul style="list-style-type: none">a. they have disclosed to us the identity of related parties and all the related party relationships and transactions of which they are aware; andb. they have appropriately accounted for and disclosed such relationships and transactions in accordance with the requirements of the applicable financial reporting framework.
Going Concern	<p>We have not identified any evidence to cause us to disagree with the Treasurer that Cleveland Fire Authority will be a going concern, and therefore we consider that the use of the going concern assumption is appropriate in the preparation of the financial statements.</p> <p>We will obtain written representations from management, confirming that all relevant information covering a period of at least 12 months from the date of approval of the financial statements has been taken into account in assessing the appropriateness of the going concern basis of preparation of the financial statements.</p>

Appendix D: Other communications

Other communication	Response
Subsequent events	<p>We are required to obtain evidence about whether events occurring between the date of the financial statements and the date of the auditor's report that require adjustment of, or disclosure in, the financial statements are appropriately reflected in those financial statements in accordance with the applicable financial reporting framework.</p> <p>We will obtain written representations from management that all events occurring subsequent to the date of the financial statements and for which the applicable financial reporting framework requires adjustment or disclosure have been adjusted or disclosed.</p>
Matters related to fraud	<p>We have designed our audit approach to obtain reasonable assurance whether the financial statements as a whole are free from material misstatement due to fraud. In addition to the work performed by us, we will obtain written representations from management and the Authority, confirming that</p> <ul style="list-style-type: none">a. they acknowledge their responsibility for the design, implementation and maintenance of internal control to prevent and detect fraud;b. they have disclosed to the auditor the results of management's assessment of the risk that the financial statements may be materially misstated as a result of fraud;c. they have disclosed to the auditor their knowledge of fraud or suspected fraud affecting the entity involving:<ul style="list-style-type: none">i. Management;ii. Employees who have significant roles in internal control; oriii. Others where the fraud could have a material effect on the financial statements; andd. they have disclosed to the auditor their knowledge of any allegations of fraud, or suspected fraud, affecting the entity's financial statements communicated by employees, former employees, analysts, regulators or others.
